SUBJECT :

[REDACTED]

1. Our memorandum dated 6 August 1959 (DPD-5099-59) requested your comments and/or approval of proposed T&M rates and a pricing formula for the subject contracts.

2. Your field Auditor had reviewed these rates and had penciled recommendations which we used during our August 11 negotiations at the Contractor's plant. We did not retain these comments; therefore, it is requested that you submit your formal report as soon as possible in order that the contracts may be amended.
